## **SELF-HELP ENTERPRISES** HOME BUYER ASSISTANCE LOAN PROGRAM GENERAL INFORMATION FOR HOME BUYERS

#### **Attention Home Buyer:**

Buying a home is one of the biggest purchases we make in our lifetime and most home buyers are not familiar with the complexities of the home loan application process. This process can be frustrating and intimidating. Through the Self-Help Enterprises--Homeownership Counseling & Education services, we will assist in homeownership preparation and education.

Coaching will prepare you for making informed decisions during the loan application process regarding such items as: selection of Realtor and lender, market interest rates, customary and reasonable fees and charges, budgeting, credit reports, homeowner insurance, property and pest inspections, real estate taxes, and appraisals.

Homeownership Counseling & Education will provide you with:

- resource information
- guidance through the loan application and homebuying process
- · assistance and support when requested

When buying an automobile most people check with more than one auto agency and want to secure an interest rate and fees which are reasonable and customary. This is also true when buying a house. We will recommend that you contact a few Realtors and lenders to determine the services provided, type of loan and fees being offered, before making your final decisions. Any Realtor or lender list we provide is meant to be used as a guide, the final selections are yours.

We may provide our customers with comparison worksheets for interviewing both lenders and Realtors. An informed decision is a benefit for all involved. However, at no time will we make any of those decisions for you or direct you to a specific agent or lender. If the Realtor and/or lender have already been selected we will cooperate with them fully (subject to meeting HBA program minimum guidelines).

The loan comparison and application process may be a challenging experience, but in the long term, is critical to realing successful homeownerhsip. Our goal is to serve you and help make your loan application process sucessful and as pleasant as possible. Please call your home buyer counselor for additional information.
