Strong Coalitions: Building on Common Interests (CB140)

Visalia, California – June 19 – 20, 2018

Building communities takes work on the part of all parties in an atmosphere of trust, cooperation and respect. Building partnerships is one of the most effective ways to bring about lasting change. Find out about community-wide collaborations that bring all sectors of the public and private community together. Learn techniques that really work for sharing resources, managing information, developing human capital and facilitating community empowerment. Identify ways to reconcile conflict, create win-win collaborative relationships and develop comprehensive strategies for soliciting partnership opportunities in your community.
